Competition in order to safely and fairly complete the Tournament successfully. The Tournament Committee will make their decisions on what is best, considering the health and safety of the players. Phoenix Rising FC Youth Soccer utilizes city-provided and private entity fields for all play. During inclement weather, the cities and private entities will take into consideration the need to prevent the destruction of the fields and facilities. City and Private Entity Field Managers make the final determination on their field's playability. Phoenix Rising FC Youth Soccer does not own the fields, nor does it have any authority over their usage. Coaches and Team Managers are asked to remain flexible to the changes in fields / locations as required and to keep in contact with Tournament Officials for these changes. Typically, the inclement weather plan will consider the following, in order:

- a. Play all games as scheduled.
- b. Eliminate pre-game warm-up on fields.
- c. Shorten matches.
- d. If matches are able to continue, rescheduling of games may be required with a priority given to out of state teams to attempt to have them play as many games as possible.
- e. In the event the field conditions are unplayable as determined by the Tournament Committee, the City, or Facility Managers, games in question may be decided by kicks from the penalty mark.
- f. If matches are unable to continue for any reason(s), Tournament placement will be based upon the last fully completed round of play. Bracket tie-breakers will be used to satisfy any ties that remain. If Bracket tie-breakers cannot resolve a tie, the Tournament Committee will utilize a coin toss to resolve the situation. A team representative may have to be present at the coin toss. This will be communicated by the Tournament Committee.
- g. In the event of game cancellation(s) due to inclement weather, entry fees will be forfeited. Phoenix Rising FC Youth Soccer will make no guarantees of any refunds. However, Phoenix Rising FC
